The Organising Committee

WORDS OF PRESIDENTS

For many years, the French Canoe Federation gained a lot of competences in hosting international competitions of great quality. The history began in 2009 with the ICF Canoe Slalom World Cup at the new inaugurated whitewater stadium of Pau-Pyrénées. In 2012, Pau-Pyrénées confirmed the trust the International Canoe Federation has given with a second stage of Canoe Slalom World Cup.

It is with the same enthusiasm and the same passion that French Canoe Federation and Pau-Pyrénées community of towns will work together in order to lead a new exciting project.

Today, it is the continuity of this experience, the organising committee, supported by the French Canoe Federation and the Pau-Pyrénées community of towns, is going on by hosting the Final World Cup this year.

We hope to see you soon in Pau !

Vincent HOHLER, French Canoe Federation President - François BAYROU, Mayor of Pau
