

Dear National Federations,  
Dear Fans,

In August this year, Szeged will host the ICF Sprint and Paracanoe World Championships.

The Hungarian Canoe Federation, the city of Szeged and the Organizing Committee are working hard to welcome and host the official participants and fans under the best possible conditions at the event. Hereby, we would like to provide you with some information about accreditation and VIP ticket possibilities.

Official participants will be able to register through the system of the ICF and receive their accreditation pass on-site, which will allow entry into the areas specified by the ICF.

The Organizing Committee provides seats for all accredited participants in the stands in sectors B and C (see: [www.szeged2019.com](http://www.szeged2019.com), tickets). In addition, in the Athletes Area there will be two athletes lounges established, which are shady places with comfortable seats, where official accredited participants can follow the races on large screens. One will be found behind the boat control tent near the finish tower, while the other will be next to the athletes catering tent.

For the Presidents and Secretary-Generals of the National Federations, the Organizing Committee provides free entry to the VIP area if they have accreditation. Additionally, National Federations have limited possibility to buy VIP zone access, for those who already have accreditation.
