Welcome to the 2011 ICF Canoe Slalom World Cup – SLOKA 2011

Canoe Federation of Slovenia is pleased to invite you to take part at the 2011 ICF Canoe Slalom World Cup, which will be held on the river Sava, Ljubljana, Slovenia, from June 23th to 26th 2011.

The venue of the event, popular named "Tacen" is located in the picturesque environment by the Sava River, lying at the foothills of the Šmarna Gora Mountain and Grmada peak. Tacen has also had an important role in the Slovene canoeing history, which had begun 80 years ago with the establishment of the first kayak club in Ljubljana – "Kajak kanu klub Ljubljana".

We are very excited to host this event. We have accomplished high level of experience in organizing top kayak and canoe slalom events in previous years when we hosted several World Cup races, European and World Championships.

Canoe Federation of Slovenia and the Organizing Committee – SLOKA 2011 is delighted to welcome all national Teams at the competition and we hope that 2011 ICF CANOE SLALOM WORLD CUP held on the slalom course in Ljubljana will see excellent competition and memorable sporting moments for your team.

The details regarding the accommodation and logistics as well as information about other events, which will be organized during the competition and all other information, you can find on official website: www.sloka.si.

Bojan Žmavc,
President of the Organizing Committee

COMPETITION

Competition Rules

2011 ICF Canoe Slalom World Cup will be organized in accordance to the ICF Slalom Racing Competition Rules.

Athlete's Village

Near the competition area will be athlete's village with big tent for the athletes. Teams will have place for relaxation with tables and chairs. Toilets will be available near the big tent.

Internet Access

High Speed Wireless internet access will be available on the venue - the whole of the competition and training area, all office spaces including ICF offices, Jury, Accreditation office and Media Centre.

Access pass and parking

Free access pass and car parking near the athlete's village will be guaranteed for up to four accredited vehicles.

Official video service

During the competition days technical video signal will be provided. More technical details regarding technical video signal will be available at www.sloka.si.

Boat storage

Boat storage racks will be placed at athlete's village.

First aid

A small tent with first aid will be located in the finish area. The NF will advise participants that emergency medical services will cover only emergency cases and that all participants are responsible to arrange, their own medical insurance policy.

Water safety

Rescue services in competition area will be organized during the competition days.

Medical Insurance

Organizing Committee kindly asks all participants of 2011 ICF Canoe Slalom World Cup Race to ensure medical insurance policy in their countries. All costs above the regular first aid, ambulance and physiotherapeutic services are to be covered by this medical insurance policy. Organizing Committee will not cover any expenses in connection with hospital or dental treatment.

DIVJA VODA, ČISTI UŽITEK
WILD WATER, PURE JOY

Doping control

Doping control will be performed in accordance with the ICF Anti-doping requirements and WADA standards.
